

## AE Z FLASHER 3

THE FUTURE OF OEM DIAGNOSTICS IS HERE

The AE Z Flasher 3, a comprehensive J2534 ECU reprogrammer with built-in OBD II diagnostics provides the independent technician and automotive locksmith with the same diagnostic and service capabilities that exist at a franchise dealership.

The AE Z Flasher 3 has been fully tested for compliance and meets all of today's SAE J2534 standards.

The **AE Z Flasher 3** is the next generation fully supported SAE J2534-1 and J2534-2 device with even more advanced support including: CAN FD, 4 CAN Channels, v05.00 API and DoIP. In addition, it features High Speed USB and support for global vehicles. The AE Z Flasher 3 has been fully tested for compliance and meets all of today's SAE J2534 standards.

### AE Z FLASHER 3 REPROGRAMMING:

**SAE J2534-1:** AE Z FLASHER 3 is the most advanced device for reprogramming of ALL OEM with the use of their OEM provided software.

**SAE J2534-2:** AE Z FLASHER 3 offers extra J2534-2 support that expands reprogramming beyond just the Engine/Trans modules for GM, Ford, Chrysler, Toyota, Honda, Audi, VW, BMW, Volvo and more!

### VEHICLE SECURITY PROFESSIONALS:

Technicians and Locksmiths use the AE Z FLASHER 3 for Security Key systems/reprogramming on all vehicle makes supported by the OEM and through the NASTF SDRM model.

## YOU HAVE TECH SUPPORT!

INCLUDED WITH ALL TOOLS PURCHASED THROUGH AE TOOLS & COMPUTERS... FOR THE LIFE OF THE TOOL!

When you have questions or problems, simply create a support ticket online and we will contact you quickly! If needed, we will log in remotely and help you solve the issues you are facing. This support is REAL. Real people helping you when you need it most!

There are no limits to the calls and no additional expenses for the help. If there are subscription fees or update costs associated with the tools, we will make you aware of those up front. There are usually annual subscriptions and updates required for most tools. Additionally, pin codes are typically required for key programming and other security functions. We can educate you on how all that works and help you navigate the process of acquiring, installing and using them.

We view our relationship with our customers as a long-term partnership. Once we get our first tool into your hands and you experience our support, you'll understand why we have so many loyal customers. We are tuned into the urgency that is present in every shop, and we understand the challenges you face.

#### Live Technical Support Hours:

Monday, Wednesday - Friday 8AM to 6 PM Central  
Tuesday - 9 AM to 6 PM CST
